SUMMARY

Enthusiastic Full Stack Developer with a strong foundation in software development and a commitment to enhancing client support and engagement. Demonstrated experience in troubleshooting and optimizing systems, complemented by effective communication skills. Passionate about leveraging technical expertise and problem-solving abilities to provide exceptional support and ensure user satisfaction. Eager to contribute to a mission-focused team while continuously expanding knowledge in software solutions and best practices.

EXPERIENCE

Software Developer Intern, MRKTBOX

📅 05/2023 - 08/2023 📍 Toronto, Canada

Led the Software development Intern team

- With my team, we assisted to develop and maintained a software for MRKTBOX usage to increase their product distribution.
- Implemented using tech-stack: **TypeScript, Django, Python**
- Conducting regular code reviews and providing constructive feedback to team members, resulting in improved code quality and reduced bugs.
- Optimized website performance, reducing loading time by 30% through front-end code enhancements.
- Developed a new feature resulting in a 20% increase in user engagement.
